PERFORMA ARTISTS DISCUSS THE IMPACT OF PERFORMA ON THEIR WORK

"It's a risk, an experiment. What I love about Performa is that RoseLee is really asking artists to open their minds."

— Shirin Neshat, Performa 11 Artist

"The directorial nature of what I did with Performa led me to believe I can function in that same capacity — even in a different medium."

— Rashid Johnson, Performa 15 Artist

"Any crazy idea you say out loud, the next day it's something they took seriously and you have to follow through and make sense of it...I'm not escaping from that fear, I'm jumping in even more."

— Yto Barrada, Performa 17 Artist
